

Aubrey Peeples "storms" Sharknado

Acting graduate and Performing Troop member Aubrey Peeples first fell in love with acting at the age of 3 as a captivated audience member watching her first play at The Civic Theatre. When she turned 5, she was in her first play and hasn't stopped since. She grew up performing in both community and professional musicals, singing at several venues including the National anthem for the Orlando Magic, and was a proud Thespian member. In 2007 she turned to film and had her first role in *Ace Ventura: Pet Detective Jr.* In high school she started making short trips to Los Angeles each year to break into that market as well as continuing to work in the Southeast, building her resume with several guest-starring and co-starring roles in *Drop Dead Diva*, *Charlie's Angels*, *Burn Notice*, *Austin & Ally*, and a recurring role on *Necessary Roughness* as well as several commercials. After graduating high school as Valedictorian and getting accepted to universities such as Harvard, Columbia, UCLA, Northwestern and the University of Michigan, she decided to take a year off and move to LA to pursue her passion for acting. The universe blessed her with steady work with roles in *Grey's Anatomy*, Lifetime movie *The Good Mother*, the CW pilot *Star-Crossed*, and the now cult hit *Sharknado*, in which she played Claudia, the daughter of Tara Reid and Ian Ziering. She recently filmed the movie *Tokarev* starring Nicolas Cage which will premiere in 2014. In her down time, she became a tutor and volunteered weekly at a food bank. She also published her first article in TYA Today, and helped produce and starred in a short film *A Conversation: Anne Frank Meets God*. As her gap year in LA was coming to an end, she was packing up her apartment to head to college when she got the call she booked a large recurring role playing newcomer Layla Grant on

ABC's Nashville. Two days later, she was on a flight to Nashville to start shooting. She is thrilled to be involved with such a great group of people getting to both act and sing. Academics is still a high priority and Aubrey plans to accomplish those goals as well one day, but for now she is enjoying the ride! Way to go Aubrey!

She recently entered an American Eagle contest under their "Always Active" category, the contest has opened doors and allowed people to see a whole different side of her. Andrea says, "I am blessed to say with all my hard work and the great support system I have, I was able to become a finalist! If I win this contest I will be modeling for American Eagle stores!" Andrea is 19 years old and is moving to Los Angeles at the end of the month to pursue her

dreams. She is currently listed with an agent here in Orlando and will be with an agency in LA for commercial print. Andrea says, "I am super excited for the journey that is about to begin in my life." Good luck Andrea!

She landed many jobs for hair shows, promotions for Coca Cola and Surf Expo, Finland lottery, Fiat and Dodge commercials to name a few. She moved to Miami and worked with numerous companies such as Vera Bradley, a bridesmaids collection for Indira, Univision, and a music video co-lead role for DJ David Jones "Aqua Diva". She booked the spring/summer web

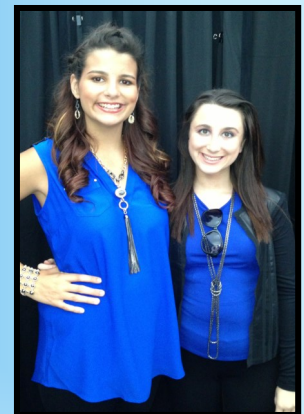

catalog for Belk, as well as Bealls, and had several spots on CBS. From there she continued on to LA to further her career. She was featured in a music video for Shane Filan's "Everything To Me", as well an editorial print spread in FGM (Fashion Glamour Music) Magazine. Brielle just completed an online print campaign for the prestigious computer company Lenovo, launching their new touchpad product. Her latest endeavor is for an upscale LA boutique called Kitson, where she is the face of their store banner and e-commerce website. Brielle says, "My journey into this fabulous field of work has never been boring! From one day to the next, I never know who I will meet or what set I will be on. Which only proves that dreams really do come true! I do know that God has truly blessed my life and my journey, of which I am grateful for. The Maile School helped propel me into a modeling and acting career. The privilege I had of working with the great staff at Maile, taught me many tools that I use today". Continued success!
